INTRODUCTION

Everyday Connect will help you find trusted service providers for your needs, close to home. It is a curated, direct referral hub for supports in Toronto.

ABOUT US

For the past 10 years, Homeless Connect Toronto has connected over 6000+ individuals impacted by homelessness directly to the supports that they need through our events.

THE PROBLEM

Navigating supports within the homelessness sector is complicated.

Current resource lists are fragmented and not up-to-date

Lack of direct year-round connection

I DON'T KNOW WHERE TO START...

OUR SOLUTION

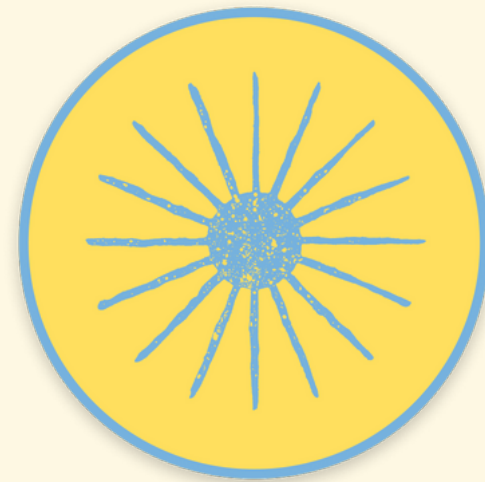

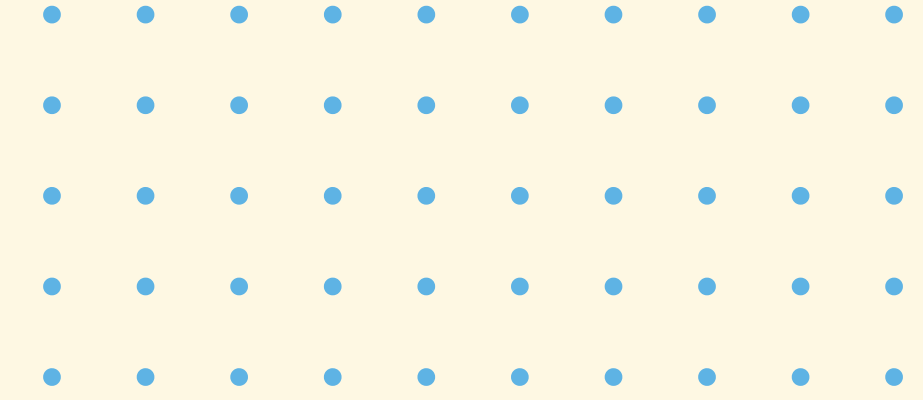

Up-to-date information from trusted service providers offering direct supports and services

Year-round access

One-on-one personal support from PeerConnectors

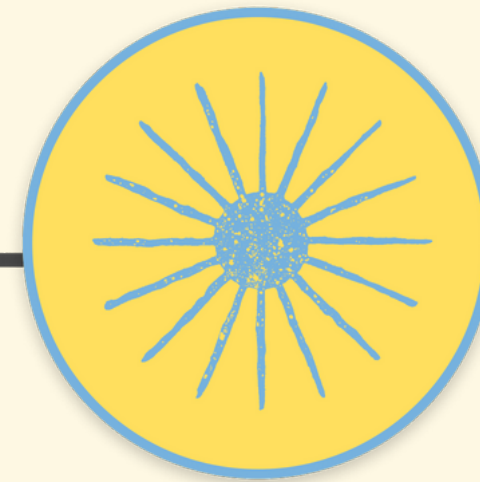

OUR CORE VALUES

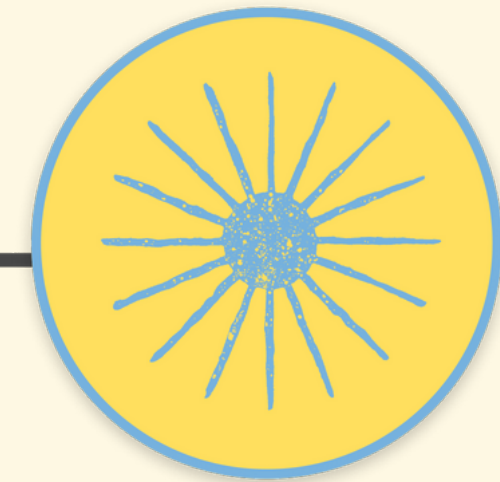

Collaborative Relationships

We are committed to working together to build trusted local relationships in the sector

Ease of Access

Streamline access to information and services to increase positive connections that reduce the run-around.

Autonomy over Wellbeing

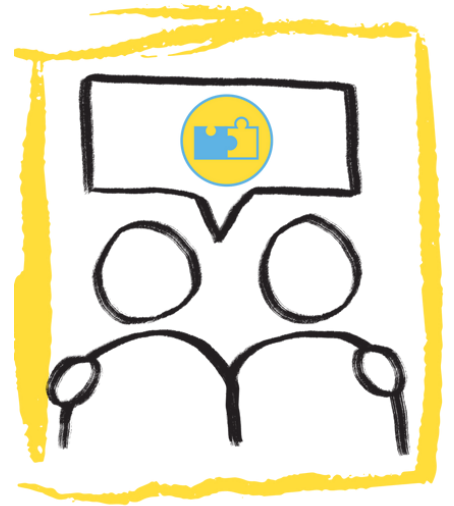

Empowering individuals to navigate complex systems to support personal wellbeing.

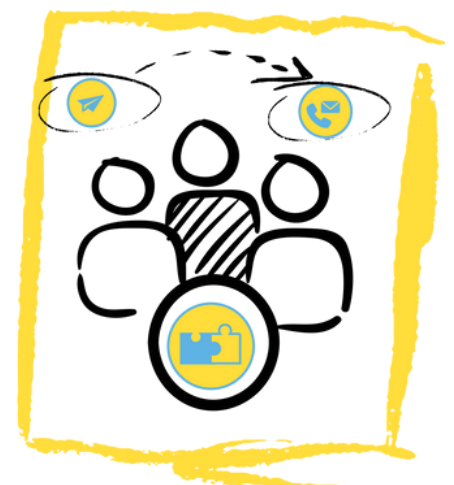

The Seeker

Seeking services for themselves.

The Helper

Assisting a peer, friend or family member to access supports.

The Worker

Growing your network and supporting clients to match with other needed services.
